Sub : Revised and Enhanced ration size for SNP in all the ICDS Projects

You are well aware that, recently the financial allocation for SNP for all kinds of beneficiaries under ICDS i.e for Pregnant & Lactating mothers , for Children of Normal and MM grade and for Children of SM grade has been enhanced from Rs.7/- to Rs.9.50/- , from Rs.6/- to Rs.8/- and from rs.9/- to Rs.12/- per head per day respectively.

Following this revised cost norm , the department vide Memo no.74/WCDSW/18 dated 06.03.2018 has sent one SNP menu for all the AWCS through out the state and requested to introduce this menu with immediate effect. However , it was noted in this order that, this menu was indicative and local adaptations can be made subject to ensuring availability of mandated nutritive value for each target group of beneficiary.

Now, considering the prevailing situation, the District Authority has approved a revised and enhanced new ration size which is sent herewith with the direction to implement the same with immediate effect till further order.
